

## **Voyage Announces Amendment Payment in Connection with its Consent Solicitation**

LONDON, September 8, 2014 – As previously announced by Voyage Care (“Voyage”), the consent solicitation by its subsidiary Voyage Care BondCo PLC (the “Issuer”), with respect to the Issuer’s £222,000,000 aggregate principal amount of 6½% Senior Secured Notes due 2018 (the “Senior Secured Notes”) and the Issuer’s £50,000,000 aggregate principal amount of 11% Second Lien Notes due 2019 (the “Second Lien Notes” and, together with the Senior Secured Notes, the “Notes”), has been successful. As a result, the Issuer today announces that it has paid the remaining 50% of the consent payment for the Proposed Amendments pursuant to the terms of the Consent Solicitation Statement dated August 6, 2014, as subsequently amended and supplemented (the “Consent Solicitation Statement”).

The Proposed Amendments and the Proposed Waivers were sought in connection with the proposed acquisition of 100% of the issued share capital of Voyage Holdings Limited and certain loan notes and deferred shares in Voyage Mezzco Limited by Viking Bidco Limited (the “Purchaser”) (which is indirectly controlled by certain trusts, funds, companies or other partnerships owned, managed, sponsored or advised by Partners Group AG and Duke Street LLP and their respective affiliates) pursuant to share purchase agreements dated August 5, 2014 and entered into by, amongst others, certain funds managed by Hg Pooled Management Limited, certain funds managed by SL Capital Partners LLP and various individual sellers and the Purchaser.

As previously announced, the supplemental indenture with respect to the Senior Secured Notes was entered into on August 15, 2014 and the supplemental indenture with respect to the Second Lien Notes was entered into on August 19, 2014. Such supplemental indentures contain the Proposed Amendments and bind all holders of the Notes, including those that did not give their consent. The Proposed Waivers have been effective and operative from the respective dates of the supplemental indentures. The Proposed Amendments have been effective from the respective dates of the supplemental indentures and each of the supplemental indentures are operative as of the date hereof.

The amendment payment has now been paid for the Proposed Amendments.
