Cedar Road

Located in Dudley, Cedar Road is a **specialist brain injury rehabilitation service**, offering expert support in a warm and friendly environment.

Our purpose-built home has **nine en-suite bedrooms**, each carefully designed to meet the needs of the people we support.

We empower individuals to set goals and develop their skills through a **tailored rehabilitation pathway**, supporting them to achieve their aspirations!

Our home has **communal areas**, such as a cosy lounge and large kitchen - perfect for socialising with housemates and preparing meals together!

Ceiling tracked hoists can be fitted in bedrooms, if required.

Our **large garden** is a serene spot for soaking up sunshine in the warmer months.

We benefit from **excellent transport links** making it easy to explore the local area and gain valuable independent social skills.

Our approach

Our expert support team uses a **functional approach** to brain injury rehabilitation.

They'll support you to **redevelop everyday skills**, empowering you to reach your goals and achieve a level of independence that's right for you.

Your wellbeing

Our home is designed to support both your rehabilitation pathway and overall wellbeing. We benefit from:

Activity room and gym equipment, empowering you to maintain a healthy lifestyle.

Clinically trained team, supporting you with your healthcare needs, like insulin management.

Home-based activities, so you can practice your skills in a fun and functional way.

We work with expert therapists who tailor therapy sessions to meet your needs and support your rehabilitation goals. Our current therapies include **Occupational Therapy, Physiotherapy, Cognitive Behaviour Therapy (CBT), and Speech and Language Therapy.**

Your needs at the centre of all we do

Whether you're just starting your rehabilitation journey, or looking to transition back into the community, our support enables you to live a more independent life.

Your choice - you're in control

We tailor your support around your needs and choices. You can rely on us for safe, flexible and personalised support.

Support to live your life

We use slow stream rehabilitation to help you regain the skills you need to live more independently.

Expert professionals

Our expert support teams collaborate with qualified therapists to provide you with support that meets your needs, and helps you reach your goals.

Use of technology

Where relevant, we work with you and your therapists to identify assistive technology to enhance your support.

Our commitment to quality

We're committed to providing person-centred, high quality care and support – demonstrated by **all of our brain injury rehabilitation services rated Good or Outstanding** by the Care Quality Commission.

Our highly trained, specialist teams use an individualised approach to support. We're committed to supporting you in a way that works for you – with reliability and consistency. You can rest assured your needs are at the centre of all we do.
