# Walker Lodge

Located in Merseyside, Walker Lodge is a **specialist brain injury rehabilitation service**, offering expert support in a warm and friendly environment.

Our purpose-built home has eight en-suite bedrooms and is **fully accessible throughout**.

The people we support are empowered to **set goals and redevelop lost skills** with a focus on improving quality of life.

Our home has **communal areas**, such as a lounge - perfect for socialising with housemates.

We are able to facilitate **ceiling tracked hoists**, profiling beds and other adaptations if required.

We empower the people we support to **enage in activities** of their choice - like cooking and bingo.

Plus, we're close to **great transport links**, convenient for exploring and staying connected to the local area.

# Our approach

Our expert support team uses a **functional approach** to brain injury rehabilitation.

They'll support you to **redevelop everyday skills**, empowering you to reach your goals and achieve a level of independence that's right for you.

## Your wellbeing

Our home is designed to support both your rehabilitation pathway and overall wellbeing. We benefit from:

**Local gym facilities**, empowering you to maintain a healthy lifestyle or regain lost mobility.

**Training kitchen**, helping you to relearn living skills and achieve independence.

**Community-based activities**, so you can practice your skills in a fun and functional way.

We work with expert Therapists who tailor therapy sessions to meet your needs and support your rehabilitation goals. Our current therapies include **Occupational Therapy, Music Therapy and Speech and Language Therapy**.

# Your needs at the centre of all we do

Whether you're just starting your rehabilitation journey, or looking to transition back into the community, our support enables you to live a more independent life.

## **Your choice - you're in control**

We tailor your support around your needs and choices. You can rely on us for safe, flexible and personalised support.

## **Support to live your life**

We use slow stream rehabilitation to help you regain the skills you need to live more independently.

## **Expert professionals**

Our expert support teams collaborate with qualified therapists to provide you with support that meets your needs, and helps you reach your goals.

## **Use of technology**

Where relevant, we work with you and your therapists to identify assistive technology to enhance your support.

# Our commitment to quality

We're committed to providing person-centred, high quality care and support – demonstrated by **all of our brain injury rehabilitation services rated Good or Outstanding** by the Care Quality Commission.

**Our highly trained, specialist teams** use an individualised approach to support. We're committed to supporting you in a way that works for you – with reliability and consistency. You can rest assured your needs are at the centre of all we do.
