

## 1-3 St Philips Close

1-3 St Philips Close consists of two detached bungalows, each having four spacious bedrooms.

Set in a quiet cul-de-sac in the area of Middleton, the people we support here take advantage of the great transport links for trips into the bustling city of Leeds.

Our service specialises in learning, physical and sensory disabilities.

## Vacancy

We have one vacancy and it would be suitable for an individual in their thirties who enjoys socialising.

The property has a large spacious garden which is shared between the two bungalows.

**Support for you to live your life** – We offer high quality, bespoke support and enable you to enjoy everyday community life.

**Your independence** – Through careful planning and regular reviews, we will provide 'just enough' support, putting you at the centre of all the decision making.

**Use of technology** – Where relevant, we work with you to identify assistive technology to enhance your support, reduce support hours and directly contribute towards greater independence.

We observed interactions between staff and people living in the home and staff were kind and respectful to people when they were supporting them.
