

Devonshire House, Manchester

BRAIN INJURY REHAB by

voyagecare 

Devonshire House

Located in Manchester, Devonshire House is a **purpose built brain injury rehabilitation centre** with three units. Each unit is dedicated to supporting each stage of your rehabilitation journey with us.

From **residential support** at the start of your rehabilitation pathway, to transitional flats for when you're ready to be more independent or **move back in to the community**, we'll provide the right support for you as and when you need it most.

Surrounded by **lawned grounds and a communal courtyard**, Devonshire House offers plenty of space for socialising and engaging with housemates.

Our rooms are modern, spacious and have lovely views overlooking our gardens.

Rooms are **wheelchair friendly** and can be fitted with a hoist and overhead tracking if required.

We benefit from **excellent transport links**, convenient for visits from friends and family or accessing the local community.

Our approach

Our expert support team uses a **functional approach** to brain injury rehabilitation.

They'll support you to **redevelop everyday skills**, empowering you to reach your goals and achieve a level of independence that's right for you.

Your wellbeing

Our home is designed to support both your rehabilitation pathway and overall wellbeing. We benefit from:

Multi-functional gym, featuring specially selected equipment to enhance physiotherapy delivery.

Dedicated therapy area, including an adapted training kitchen, to support you in regaining your independent living skills.

Sensory garden, with a colourful vegetable patch, hanging baskets and bird feeders.

We work with expert therapists who tailor therapy sessions to meet your needs and support your rehabilitation goals. Our current therapies include **Art Therapy to Neuropsychology and Neurophysiotherapy**.

To support your rehabilitation, we promote a range of **functional and social activities** at home and in the local community.

Our commitment to quality

We're committed to providing person-centred, high quality care and support – demonstrated by **all of our brain injury rehabilitation services rated Good or Outstanding*** by the Care Quality Commission.

Our highly trained, specialist teams use an individualised approach to their support. We're committed to supporting you in a way that works for you – with reliability and consistency. You can rest assured your needs are at the centre of all we do.

Your needs at the centre of all we do

Whether you're just starting your rehabilitation journey, or looking to transition back into the community, our support enables you to live a more independent life.

Your choice - you in control

We tailor your support around your needs and choices. You can rely on us for safe, flexible and personalised support.

Support to live your life

We use slow stream rehabilitation to help you regain the skills you need to live more independently.

Expert professionals

Our expert support teams collaborate with qualified therapists to provide you with support that meets your needs, and helps you reach your goals.

Use of technology

Where relevant, we work with you and your therapists to identify assistive technology to enhance your support.

About Voyage Care

Voyage Care is a sector-leading provider of specialist care and support to 3,500+ people with learning disabilities, autism, brain injuries and complex needs.

We offer person-centred care in a range of settings. This can be out and about in the community, in your own home or in one of our residential care homes.
