# Langold View

Langold View is a **residential care home** based in Langold, Worksop. We provide **support for up to eight individuals** with learning and physical disabilities, mental health conditions and complex needs.

Spread across four buildings, our home benefits from eight individual apartments, each with their very own, fully-equipped kitchen area, dining space and en-suite bedroom.

We also have a **welcoming communal space** kitted out with comfy settees and a mini-kitchen - perfect for the people we support to socialise and relax in.

A short distance away, we have access to many **local shops and cafes!** Our home is also within walking distance of Langold Country Park, which boasts a range of wildlife, walking trails, and recreational areas. Just five miles away is Worksop town centre, where the people we support can access a range of shops, restaurants, the cinema, and other fun activities!

## A place to call home

At Langold View, we encourage all of the people we support to get involved in **in-house and community activities**, helping them build confidence and create a sense of belonging. Our in-house activities include movie nights, karaoke, fun games and arts and crafts!

We provide dedicated one-to-one support and build **person-centered care plans** tailored to each individual's needs. Our dedicated team will assist the people we support to learn new skills, boosting their self-confidence, and supporting them towards greater independence.

# Your needs at the centre of all we do

Whether you need support for a few hours or around the clock, our support teams can help you live a more independent life.

## **Your choice, you're in control**

We tailor your support around your needs and choices. You can rely on us for safe, flexible and personalised support.

## **Support to live your life**

We offer high quality, bespoke support and enable you to enjoy everyday life.

## **Your independence**

Through careful planning and reviews, we'll provide 'just enough' support, putting you at the centre of all decision making.

## **Use of technology**

Where relevant, we work with you to identify assistive technology to enhance your support, reduce support hours and progress towards greater independence.

# Quality care and support

We're committed to providing **high-quality, person-centred care and support**. Our goal is to help you live the fulfilling, meaningful and happy life you choose, with as much or as little support as you need.

**Our highly trained, specialist teams** work with you to co-create personalised support plans focusing on your interests, priorities and skills. You can rest assured your needs are at the centre of all we do.

***\*Data accurate as of July 2024.***
