Hinckley Day Care

Hinckley Day Care offers **community support** in Leicestershire. We support individuals with learning disabilities, autism and acquired brain injuries.

Our two-floor service is designed to help the people we support build new skills, gain independence, and participate actively in their community, allowing them to **live meaningful and fulfilling lives**.

We offer a variety of activities designed to enhance independence, social skills, and overall health and wellbeing. Our day service benefits from **several specialist activity areas**, each providing a safe and supportive environment for individuals to work towards their personal goals.

These areas include a fully equipped sensory room, a music room, an IT suite for computer training and safe internet use, two **adapted training kitchens**, an arts and crafts room and a recreational games area, complete with gaming consoles and a pool table!

Our care and support

At Hinckley Day Care, we use the **'TEACHH' approach** (treatment and education of autistic and communications handicapped children), to ensure all individuals stay engaged and active through a well-structured schedule of activities.

Our activity plan offers a **variety of opportunities for involvement**, including participating in fitness classes, Zumba, swimming, engaging in shopping trips to develop budgeting skills, and joining the Hinckley choir!

We support individuals to **build meaningful friendships and connections** to help everyone lead happy and fulfilling lives!

Your needs at the centre of all we do

Whether you need support for a few hours or around the clock, our support teams can help you live a more independent life.

Your choice, you're in control

We tailor your support around your needs and choices. You can rely on us for safe, flexible and personalised support.

Support to live your life

We offer high quality, bespoke support and enable you to enjoy everyday life.

Your independence

Through careful planning and reviews, we'll provide 'just enough' support, putting you at the centre of all decision making.

Use of technology

Where relevant, we work with you to identify assistive technology to enhance your support, reduce support hours and progress towards greater independence.

Quality care and support

We're committed to providing **high-quality, person-centred care and support**. Our goal is to help you live the fulfilling, meaningful and happy life you choose, with as much or as little support as you need.

Our highly trained, specialist teams work with you to co-create personalised support plans focusing on your interests, priorities and skills. You can rest assured your needs are at the centre of all we do.
